

Welcome To Homework Of The Day!

Dear Parents,

In Homework of the day, your child will experience more things, and will get better at math, finding patterns, and lots of other stuff. If your child does not get anything, please help them. Sometimes your child got the wrong packet, and really did not get anything. Go to homeworkoftheday.com to get your child the correct packet. Maybe your child will like Homework of the day, so get your child going!

Sincerely,

Homework of the day managers

This is the kindergarten packet, so...

This is perfect for children 4-6.

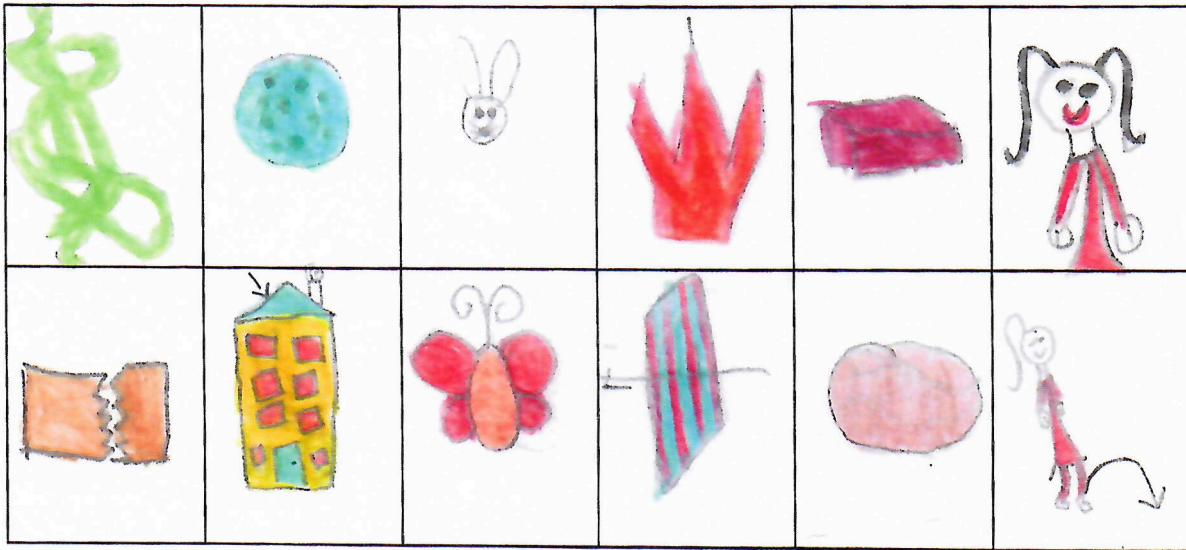

Parents can also go online and do packets their level!

But sometimes there are no packets their level.
